1. (C) As discussed in the 17 August telecon between [REDACTED] of your staff, you are hereby delegated contracting officer authority to issue a change order to the contract awarded pursuant to the referent for the painting of the most deteriorated portions of 24 additional houses. The change order shall be bilateral, firm fixed price not to exceed \$5,000, subject to the availability of [REDACTED] funds. In authorizing the issuance of this change order, it is understood that the present contractor was low bidder among approximately 10 firms competing for the original work and that the unit rates to be used in calculating the amount of this change order will not exceed those contained in the basic contract. It is further understood that the work involved is that requiring immediate attention because of deteriorated wood conditions and that the complete painting of the additional housing units will be handled by a new contract action for which a delegation of contracting officer authority will be requested.

2. (U) All other terms and conditions of the referent remain in effect, and this change order must be executed not later than 30 September 1978.
